

Comp 8006 Computer Systems Technology

Network Administration and Security Level 2

Final Practical Project Waiver

This is a waiver to be signed and submitted with your practical project submission. For the practical project you are permitted to use all materials at your disposal, including the Internet, computers, notes and books. You are, however, expressly forbidden from obtaining **"human" assistance**. Please sign and return the statement below with your project documentation.

If you have any questions about the project, you may discuss it with me in class, contact me via email (aabdulla@milliways.bcit.ca), or leave a message on my voice mail at 432-8837.

I the undersigned hereby attest that during the practical project period I have neither asked for nor received any assistance vis-à-vis the analysis of data provided for the practical project in Comp 8006 from any person other than the instructor. I have not asked for or received any "human" assistance on any part of my project. In addition, I have not discussed my analysis and results with anyone, nor have I assisted any of my colleagues in Comp 8006 in their practical projects. I understand that failure to adhere to these conditions will result in my receiving a failing grade in this course and I may face disciplinary action as determined by BCIT policies on cheating and plagiarism.
